PLEASE NOTE: If you have any conflicts, please notify scorers.

1. All tests may be read, including the USEA tests.
2. You will wear back numbers instead of bridle numbers for this show. Some of the riders will be in the hunter and jumper phases and this will eliminate two numbers.
3. No riding in the dressage ring is allowed prior to your test. You may walk your horse around the ring before the dressage phase starts.
4. Year End Awards will be given in dressage this year. You must compete at least twice in the division (Intro Level, Training Level, First Level or Second Level) for your points to count. Placings will be awarded on the best scores, divided by the number of times shown. Bonus points will be awarded for showing more than two times.

You must sign up for Year End Awards and pay fee before scores will count.
